**Hey Parents,**

**I know it's hard to think about school supply shopping, especially right now. I wanted to deliver some good news. There will be a 1st Day of School next year. That is why I am so excited to announce a continued partnership with 1st Day School Supplies!**

**This year, 1st Day School Supplies is going to help parents and teachers get the exact supplies needed for next school year without the RISK of shopping at WalMart, Target or Staples.**

**I have personally found 1st Day School Supplies to be convenient, easy and hassle free! Plus, they have guaranteed competitive prices on the highest quality brands including the germ fighting brands like Purell and Clorox. So, with all the uncertainty this summer will bring, why not check school supply shopping off your list. As for me and my family, I will have already purchased my school supplies from the comfort of my home! You can make your purchase right now, get started by clicking the link below:**
